THE BANKS, FINANCIAL INSTITUTIONS AND OTHER LENDERS SET OUT IN SCHEDULE I HERETO, including any lender that may accede from time to time in accordance with the provisions of this Agreement (hereinafter collectively referred to as the “**Lenders**” and individually as a “**Lender**”, which expression will, unless repugnant to the context or meaning thereof, be deemed to mean and include their successors, transferees, novatees and assigns).

WHEREAS:

- (A) The Relevant Lenders have provided Facilities to the respective Borrowers from time to time.
- (B) The Borrowers have been facing stress due to various reasons and their accounts have been classified as “special mention account” (SMA) or “non performing asset” (NPA), as the case may be, by all or some of the Relevant Lenders.
- (C) The Reserve Bank of India has issued guidelines containing revised framework for resolution of stressed assets on February 12, 2018 (hereinafter referred to as the “**Regulatory Framework**”, which term shall also include the amendments that are made from time to time). The said Regulatory Framework *inter alia* contemplates that the lenders must put in place board approved policies for resolution of stressed assets under the said framework including the timelines for resolution.
- (D) In order to give effect to and comply with the Regulatory Framework after obtaining approval of their respective board of directors, the Lenders are entering into this Agreement to (i) set out the overall framework, where relevant and applicable, for revival and rehabilitation of the Borrowers and effectuating the implementation of a debt resolution plan in respect of the Facilities provided by Relevant Lenders to each respective Borrower with a view to optimising and preserving the recovery for the Relevant Lenders; and (ii) appoint and authorise the Lead Lender to facilitate this process and to take necessary actions and steps in connection with formulation and implementation of such debt resolution plan.
- (E) The Lenders acknowledge that while there can be different approaches to formulation of a resolution plan, an optimal resolution plan is the one that is just and fair and is prepared in good faith given the prevailing facts and circumstances.
- (F) The Lenders also agree and acknowledge that each resolution plan that is prepared pursuant to this Agreement shall be in compliance with the provisions of Regulatory Framework, applicable guidelines/notifications issued by the RBI from time to time and other Applicable Laws, in each case, as amended, modified or replaced from time to time.

Each Lender represents that they have taken all necessary approvals from their board of directors or committees thereof for taking all actions contemplated by this Agreement including to be bound by the Resolution Plan that is approved by the Majority Lenders in each case, and to authorise the Lead Lender to take all actions that are contemplated in this Agreement.

- 10.3** It is clarified that any rights, obligations and liabilities arising under this Agreement before termination shall be binding on the Lenders and shall continue after the termination of the Agreement. Further, termination of this Agreement shall not affect the implementation of any Resolution Plan that is already approved by the specific Majority Lenders and such approved Resolution Plan shall continue to be binding on each Relevant Lender, despite any Relevant Lender proposing to terminate this Agreement.

11. CHANGES TO LEAD LENDER

The Lead Lender may resign from its position of Lead Lender with respect to any Borrower by communicating its decision to the Relevant Lenders in the first meeting that is held after the occurrence of the Reference Date. - 12.2** The aforesaid standstill provision will be operative for a period of 180 days (one hundred and eighty days) from the Date of Default or maximum timeline permitted under the Regulatory Framework for implementation of a resolution plan, whichever is earlier, provided that the standstill shall immediately lapse on approval of the Resolution Plan or if the resolution process is terminated by the Majority Lenders.
- 12.3** The aforesaid stand still provision shall not preclude the Lenders from initiating or continuing any action against the Borrower or its promoters / directors / officials or other persons for criminal offences.

PRESS RELEASE

The Reserve Bank of India (RBI), vide its circular dated February 12, 2018 has issued a revised framework for resolution of stressed assets (“**RBI Circular**”). The RBI Circular *inter alia* requires each bank to have board approved policies for dealing with stressed assets/accounts.

Pursuant to the recommendations of Sunil Mehta Committee and under the aegis of Indian Banks’ Association (IBA), an Inter-creditor Agreement (**ICA**) has been prepared which shall serve as a platform for the banks and financial institutions to come together and take joint and concerted actions towards resolution of stressed accounts.

The salient features of the ICA are summarized below:

1. The ICA will be applicable to all corporate borrowers that have availed loans and financial assistance for an amount of Rs. 50 crore or more under consortium lending / multiple banking arrangements;
2. The lead lender (i.e. the lender with the highest exposure) shall be authorized to formulate the resolution plan, which shall be presented to the lenders for their approval;
3. The decision making shall be by way of approval of ‘majority lenders’ (i.e. the lenders with 66% share in the aggregate exposure). Once a resolution plan is approved by the majority lenders, it shall be binding on all the lenders that are a party to the ICA; and
4. Each resolution plan that is formulated in terms of the ICA shall be in compliance with the RBI circular and all other applicable laws and guidelines.
