

In compliance with RBI guidelines on enhancing security on Card transactions we have implemented the following for both Credit & Debit Cards

- (1) The following type of cards have been disabled for International, E-commerce and Contactless transactions:
 - (a) New/Renewed cards issued from 01/10/2020
 - (b) Existing cards which have not been used for international/e-commerce/contactless transactions during last one year.

Above provisions do not apply for pre-paid cards.

- (2) For enabling on various channels please [Click here](#) to visit FAQ on Enhancement of CARD Security.
